<b>Foreword</b> .....	VII
Frank J. Veith	
<b>Preface</b> .....	IX
Germano Melissano, Roberto Chiesa	
<b>Endorsment Marfan Foundation</b> .....	XI
<b>Endorsment VASCern</b> .....	XIII
<b>1. Thoughts of an aortic dissection “survivor”</b> .....	5
Timo Söderlund	
<b>2. An introduction to Type B aortic dissection</b> .....	11
Germano Melissano	
<b>3. The true stories of Type B aortic dissection</b> .....	23
Edited by Daniele Mascia, Alessandro Grandi	
<b>4. The clinical presentation of Type B aortic dissection</b> .....	35
Germano Melissano, Daniele Mascia, Alessandro Grandi, Renata C. Castellano	
<b>5. Introduction, true stories and clinical presentation of Type A aortic dissection</b> ....	39
Martin Czerny, Bartosz Rylski	
<b>6. Clinical and molecular genetics of thoracic aortic aneurysm and dissection</b> .....	49
John A. Elefteriades, Adam J. Brownstein, Bulat A. Ziganshin	
<b>7. DISSECT: a new nomenclature to help facilitate the assessment of aortic dissection in the endovascular era</b> .....	81
Michael D. Dake, Benedetta Enrico	
<b>8. The European Reference Network in the field of the vascular rare diseases</b> .....	89
Alessandro Pini, Gabriella Tognola, Alessia Paglialonga, Marine Hurard, Raffaella Gaetano, Guillaume Jondeau	
<b>9. Pharmacological treatment of aortic dissection</b> .....	99
Arturo Evangelista, Jose F. Rodriguez-Palomares	
<b>10. Aortic dissection in pregnancy</b> .....	109
James H. Black, III, Bryan A. Ehlert	
<b>11. Surgical treatment of acute Type A aortic dissection: Houston experience</b> .....	117
Joseph S. Coselli, Ourania Preventza, Alfred S. Song, Kim I. de la Cruz	

<b>12. Open surgical management of patients undergoing operation for Type A aortic dissection: Moscow experience</b> .....	129
Leo A. Bockeria, Vladimir A. Mironenko, Sergey V. Rychin	
<b>13. Acute aortic dissection in patients with bicuspid aortic valve</b> .....	147
Christian D. Etz, Josephina Haunschild	
<b>14. When and how to replace the aortic arch for Type A dissection</b> .....	159
Roberto Di Bartolomeo, Alessandro Leone, Luca Di Marco, Davide Pacini	
<b>15. Treatment options for aortic arch dissecting aneurysm in patients with previous surgery for acute Type A aortic dissection</b> .....	167
Anthony L. Estrera, Akiko Tanaka	
<b>16. Endovascular treatment of residual arch dissection after open repair of Type A aortic dissection</b> .....	179
Marcelo Ferreira, Eduardo Rodrigues, Diego Ferreira, Rodrigo Cunha, Guilherme Bicalho	
<b>17. Aortic intramural hematoma and penetrating atherosclerotic ulcer</b> .....	193
Worawong Slisatkorn, Wanchai Wongkornrat, Teerawoot Jantarawan	
<b>18. Type B aortic dissection complicated by visceral ischemia</b> .....	205
Santi Trimarchi, Hector W.L. de Beaufort, Arnoud V. Kamman	
<b>19. Post-dissection and degenerative thoracoabdominal aortic aneurysms</b> .....	213
Michael J.H.M. Jacobs, Barend Mees, Noud Peppelenbosch, Geert Willem Schurink	
<b>20. Dissection true stories; options for the management of non-A, non-B Type aortic dissection</b> .....	219
Nicholas J.W. Cheshire, Ulrich P. Rosendahl	
<b>21. When TEVAR fails: secondary interventions and direct false lumen adjuncts</b> .....	225
Joseph V. Lombardi, Marissa Famularo	
<b>22. Evolution in endovascular treatment of Type B aortic dissection</b> .....	231
Ali Azzadeh, Wande B. Pratt, Anthony L. Estrera, Hazim J. Safi	
<b>23. The PETTICOAT concept for endovascular treatment of Type B aortic dissection</b> .....	241
Luca Bertoglio, Germano Melissano, Enrico Rinaldi, Andrea L. Kahlberg, Sthefano Atique Gabriel, Roberto Chiesa	
<b>24. The STABILISE concept of eliminating dissection and obtaining a uniluminal aorta</b> .....	253
Peter J. Mossop	
<b>25. Treatment option for chronic Type B aortic dissection</b> .....	263
Eric L.G. Verhoeven, Athanasios Katsargyris, Kyriakos Oikonomou, Hozan Mufty, George Kouvelos	
<b>26. Maintaining durability following TEVAR for chronic Type B aortic dissection</b> .....	271
Matt Thompson, Benjamin O. Patterson	

---

<b>27. Planning endovascular repair of chronic aortic dissections with fenestrated and branched endografts</b> .....	277
Gustavo S. Oderich, Mauricio S. Ribeiro, Giuliano de A. Sandri	
<b>28. Chronic aortic dissection: how to deal with the false lumen in chronic aortic dissection</b> .....	297
Tilo Kölbel, Fiona Rohlfes	
<b>29. False lumen embolization in aortic dissection</b> .....	305
Tara M. Mastracci	
<b>30. Distal stent graft-induced new entry</b> .....	313
Chun-Che Shih, Hung-Lung Hsu	
<b>31. Open surgical treatment of chronic Type B aortic dissection (dissecting aneurysms)</b> .....	321
Roberto Chiesa, Germano Melissano, Andrea L. Kahlberg, Enrico Rinaldi, Sara Spelta, Alessandro Grandi, Domenico Baccellieri	
<b>32. Use of deep hypothermic circulatory arrest for Type B dissecting aneurysm</b> .....	339
Laurent Chiche, Thibault Couture, Philippe Tresson, Julien Gaudric, Fabien Koskas, Edouard Kieffer†	
<b>33. Hybrid treatment of aortic dissection with or without endograft false lumen intentional placement</b> .....	349
William J. Quinones-Baldrich, Taimur Saleem	
<b>34. The sandwich technique in Type B aortic dissection</b> .....	357
Armando C. Lobato, Luciana Camacho-Lobato	
<b>35. Spinal cord vascularization</b> .....	365
Germano Melissano, Roberto Chiesa, Christian Etz, Randall B. Griepp	
<b>36. Anesthetic management of patients undergoing operation for Type A aortic dissection</b> .....	379
George Silvay, John G. Augoustides	
<b>37. Anesthetic management of patients undergoing open or endovascular procedures for Type B aortic dissection</b> .....	399
Monica De Luca, Fabrizio Monaco, Salvatore Sardo, Marina Pieri, Silvio Magrin, Alberto Zangrillo	
<b>38. Intravascular ultrasound is essential for the endovascular management of aortic dissection</b> .....	411
Benjamin W. Starnes	
<b>39. Transesophageal echocardiography in the management of patients undergoing procedures for Type B aortic dissection</b> .....	417
Fabrizio Monaco, Monica De Luca, Salvatore Sardo, Guglielmo Cornero, Cristina Mattioli, Alberto Zangrillo	
<b>40. Experimental and clinical evidence supporting septectomy in the primary treatment of acute Type B thoracic aortic dissection</b> .....	433
Juan Carlos Parodi, Ramon Berguer
